<p>Leading health and social care providers, Turning Point, Developing Health &amp; Independence (DHI), Julian House and The Nelson Trust, have partnered-up to expand their services in Wiltshire with the launch of Connect – Wiltshire substance use service, on 1 April.</p> <p>Connect, commissioned by Wiltshire Council, will offer a wide range of support services for people of any age, including children and young people, struggling with alcohol and/or drug use.</p> <p>The Connect service will strike a balance between early intervention, education and treatment, offering free, flexible, person-centred support to Wiltshire residents of all ages.</p> <p>Turning Point, DHI, Julian House and Nelson Trust all have a long history of supporting Wiltshire residents, providing them with flexible support, tailored to the needs and circumstances of each individual.</p> <p><b>Services Provided:</b></p> <p>The service is made up of various elements to ensure support is available to anyone who needs it, regardless of their circumstance, this will include 1-1 support and treatment for children and adults, out-reach provision engaging with individuals both in the community, in prisons, courts and police custody, a criminal justice provision to work with individuals who are involved in substance use related crime, group work provision, access to medical interventions, inpatient detoxes and residential rehab, peer mentor support and more. The key focuses of the new service are to 'meet people where they are', providing tailored support in the community, with a particular focus on the rurality of Wiltshire, recognising that not everybody will be able to make the journey to a hub. The service will be innovative and adaptable, responding to local needs and ensuring that individuals can access treatment at any stage of their journey.</p>

## Read East South & East Wiltshire

Area/s serve: South & East Wiltshire	Based in: Devizes
Support: - Families	Referral: - Professional Referral - Self Referral
<p>Read Easy helps adults learn to read. Around 1 in 10 adults in the UK cannot read at all or struggle to read everyday items. There are many reasons why some people find it difficult to learn to read as children, but it's never too late to learn. Read Easy has helped hundreds of adults learn to read. Improving your reading skills can change your life. Parents and grandparents that can read are better-placed to support their family's learning and helping children become confident readers.</p> <p><b>Services Provided:</b></p> <p>We provide free, one-to-one coaching for adults in South and East Wiltshire. Read Easy provides personal coaches so people learn quietly and comfortably at their own pace. There are no class rooms or group situations. It's confidential, so nobody needs to know who's learning. It's flexible so you can find times and places to meet that suit you. You and your coach will work through the five Turning Pages manuals (published by the Shannon Trust). These are specially designed for adults and work well for people with dyslexia. The manuals go right back to basics and guide you through areas, where you might have got stuck before. As you progress you'll develop your skills and confidence. It's free, so there's nothing to lose, by giving it a try and it could make a big difference to both you and your family. Just give us a ring on 07942 382318.</p>

Support: - Young People	Referrals: - Professional Referrals
<p>Volunteering Matters believes that everyone in the UK should have the opportunity to thrive. So we bring people together to overcome some of society's most complex issues through the power of volunteering.</p> <p>We partner with communities to overcome adversity, tackling social isolation and loneliness, improving health, developing skills and opportunity and making sure young people can lead change. And because we're a national charity, we do this at scale, sharing our expertise and building partnerships to make an even bigger impact.</p> <p>We turn local knowledge and energy into action and progress, building stronger communities and a better future for all.</p> <p><b>Services Provided:</b></p> <p>Young adults transitioning from the care system into independent living experience significantly worse outcomes than the rest of the population. We believe in changing this. We empower young adults by matching them with a volunteer aged 50+ who has great life experience and skills. Together they meet regularly and work towards personalised life goals through mentoring.</p> <p>Our Grandmentors come from a wide range of backgrounds and walks of life, their experiences give them the knowledge, empathy and patience needed to meet the wide ranging of needs of their mentees. Over time they forge trusting and positive relationships that support, challenge and empower mentees to unlock their own skills and to shape their own futures as they navigate life after care.</p>

<p>Wiltshire Portage is an independent organisation and a registered charity, providing a free home visiting service to over 100 families in the towns and villages across Wiltshire.</p> <p>The children who use the service have a wide range of needs and Portage Home Visitors use a variety of developmental checklists and journals to help identify a child's strengths and goals for future learning.</p> <p>Together with parents, Portage Home Visitors observe, play and then design individual bespoke education programmes aimed at helping the child to develop skills. This carefully structure but flexible system helps parents become even better teachers for their child.</p> <p>Wiltshire Portage is registered with the National Portage Association.</p> <p><b>Services Provided:</b></p> <p>Wiltshire Portage provides Educational Home Visits for children with disabilities and difficulties from birth to school entry, as well as offering support to the family. The visits are an hour to an hour and a half, usually weekly although fortnightly or monthly visits may be offered.</p> <p>The Portage sessions are play based; a discussion and partnership approach are key. Wiltshire Portage looks at the child's strengths and needs, then an individual plan is agreed to help each child learn new skills in a small achievable step-by-step approach, with lots of opportunities for repetition and practice.</p>
